DETAILED ACTION

This action is in response to the Request for Continued Examination filed 4 June 2008. Claims 4, 6, 18, 20, 25-46, 48, 54, 56-58, 60-63, and 65 have been cancelled. Claims 1-3, 5, 7-17, 19, 21-24, 47, 49-53, 55, 59, 64, and 66 are currently pending.

Response to Arguments

Applicant's arguments, see pages 16-19, filed 4 June, with respect to the prior rejections have been fully considered and are persuasive. The rejection of the pending claims has been withdrawn.

Allowable Subject Matter

Claims 1-3, 5, 7-17, 19, 21-24, 47, 49-53, 55, 59, 64, and 66 are allowed. The following is an examiner's statement of reasons for allowance:

Wookey (US Patent # 6,023,507) discloses a similar automatic remote computer monitoring system in which a monitored system requests service from a remote administrator (column 4, lines 11-16). The communications between the service center system and the monitored system operate similarly to the claimed invention; the service center (figure 1, #101) communicates via packets with a data communications device (figure 1, modem 120), which communicates via packets with the monitored system (figure 1, #103-109). However, the remote monitoring system of Wookey does not teach or suggest the steps of providing search criteria including user authentication information, or of receiving monitored system identities as search results reflecting the criteria and whether the user is allowed to communicate with a particular identity based on the supplied user authentication information. Because of these differences from the

Art Unit: 2132

prior art, independent claims 1, 19, 47, and 53 are considered to be allowable. Claims 2, 3, 5, 7-17, 21-24, 49-52, 55, 59, 64, and 66, which are dependent on claims 1, 19, 47, and 53, are therefore also considered to be allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
